

Introducing
Our New Collection

NEVILLE JOHNSON

Our Collection

Our newest collection of mirrored wardrobe doors come in a variety of three beautiful designs and are exclusive to Neville Johnson. All of our furniture is created bespoke and is handcrafted to perfectly fit you and your home. This collection would bring a plush and boutique feel to any bedroom.

The Juvel

The striking and dynamic lines of the Juvel would be a statement piece in any bedroom, softened by the luxe tones of Chichory and paired with our contrasting Inka handles. The large mirrored panels brings space and really opens up the area to maximise the bedroom.

Available in over
70 stunning
colours

The Eden

An elegant and sophisticated design created using delicately linked circles to form this beautiful pattern. Painted in Orchid and paired with our Luna knobs, the Eden creates a wonderfully bright and airy space in any home.

The Deco

Inspired by the geometric patterns of the Art Deco era, the Deco with complementing dressing room island creates an exquisite bedroom. Contrasting wonderfully against the natural light, the bold Charcoal with our Kala handles are the perfect way to add ambience into the bedroom.
