Where colour meets contentment

Introducing the Summer Light colour collection.

We've distilled the peaceful optimism of summer
into a versatile, lasting palette perfect for your
fitted furniture project.

Smoked Blush

Sahara

Mayflower

Artichoke

Smoked Blush

Smoked Blush: a muted rosy pink that makes a statement without dominating a space.

Reminiscent of warm summer sunsets, it's a shade that reminds you to take a breath, content and calm, and settle into a space that's yours alone.

Pairs well with:

Sumac

Charlbury
Oak

Mayflower

Mayflower: a pale, subdued neutral of pressed blossom petals.

Light and bright, Mayflower is like a breath of fresh air on a hot day. As well as acting as a neutral backdrop, it artfully complements bolder tones in almost any space.

Pairs well with:

Kalamata

Pendle
Walnut

Artichoke

Artichoke: an earthy green-grey – soothing, grounded, and still.

Injecting colour inspired by nature, Artichoke can make any space feel calmer. A versatile green with a cool undertone, it reminds us of sunny early morning walks in the woods.

Pairs well with:

Edelweiss

Calder
Oak

The warm touch of summer

Remember that summer feeling: glowing sun, bronzed skin, and time spent making memories with the people that matter the most.

Meet the Summer Light colour collection. 4 shades created to evoke and prolong that feeling, creating homes that feel like summer in any season.

Sahara

Sahara: hot sandy-gold, based on traditional ochre pigments.

Bright, bold, and joyful, summer's statement shade makes us think of golden sands, long days and the smell of suncream, creating spaces that feel like summer all year round.

Pairs well with:

Samphire

Grasmere
Oak
